

We're **THANKFUL** for your **PATIENCE.**

It's the most wonderful time of the year, but it's also the busiest! We'd like to thank you for your patience and understanding throughout the COVID-19 pandemic. Now combined with flu season, you may experience wait times longer than usual. We are doing our best to treat each patient that comes through our door with as much care and efficiency as possible. We are fortunate to provide COVID-19 and flu testing, and help create a healthier tomorrow within our community!

This holiday season we'd like to encourage you to thank the healthcare workers that have been working hard since the start of the pandemic to make our community a safer and healthier place to live. Without them, the road to recovery would not be possible.
